JUNE 2023

VOL. 43 NO. 6

PRESIDENT'S PAGE

Todd Hornyak I would like to personally thank all Letter Carriers, supervisors and Postmasters that participated in the Stamp Out Hunger Food Drive on May 13th. The amount of food we collected was down compared to previous years, but this is a great cause that helps people from our community that need assistance. I believe next year's food drive will be more successful.

Contract negotiations for the 2023 National Agreement are in full swing. I believe this contract is very important for the long-term success of the Postal Service. Letter Carriers understand hiring and retaining new employees is very difficult for the amount of money they are paid and the difficult job of a carrier. National and the Postal Service must reach an agreement that allows new employees to be retained and paid the salary and benefits that they deserve.

The current agreement between NALC and USPS is set to expire at midnight on May 20. If the parties fail to reach an agreement by midnight on May 20, the

next step is a legally mandated 60-day mediation period. The parties can use the mediation period to continue negotiations while simultaneously seeking to agree on a neutral arbitrator should it become necessary. If contract negotiations and mediation fail, each party would then present its case to a three-member interest arbitration board—one member named by each party and a third, neutral member selected jointly as board chairperson. The arbitration board would then issue a final and binding decision setting the terms and conditions of our National Agreement.

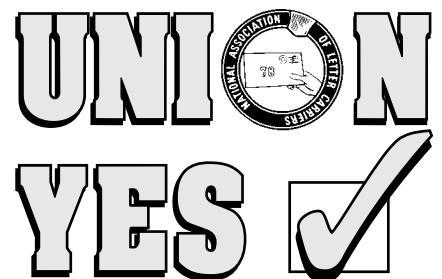

NALC remains committed to achieving a negotiated agreement but will not hesitate to present our demands in interest arbitration if necessary to gain a contract that properly rewards city letter carriers for what they do day in and day out in service of America's public. Stay tuned for future updates as NALC officers and staff continue working with the USPS to reach agreement on a new contract.

After a three years absence the Robert Solt Memorial Golf Outing to benefit the Muscular Dystrophy Association has returned. Due to

COVID we were not able to schedule a Golf outing the last few years but this year the Golf Outing is back. The golf outing will be held Sunday August 27th at the Pick-away Golf Club. I want to thank Grove City Union Steward Mike Zeller for his efforts to ensure that the golf outing would be held this year. More information on the outing is in this month's bulletin.

I would like to congratulate Mary Metzen from Dublin Post Office, and Vanuse Mitchell from Gahanna Station on their recent retirement. I wish them well on their retirement. Please attend our June branch meeting in person on June 14th, we will also be utilizing ZOOM. Information regarding the meeting can be found on our Branch 78 website www.nalc-branch78.org. I look forward to seeing you at the meeting.

Fraternally
Todd Hornyak

FROM THE VICE PRESIDENT

Mark Beach Thanks to carriers, city, rural and clerks who worked hard to make the Food Drive a success. The first post pandemic food drive was rocky, but we survived. Lack of media coverage and the long COVID hiatuses resulted in low customer participation. A promise by the Postmaster to have the managers in to help with the food drive seemingly fell on deaf ears. The day of the food drive I received several phone calls from supervisors on what to do with the food. Most managers and the Postmaster were MIA during the latter hours Saturday. Some supervisors and managers, however went beyond expectations and I thank you.

We have filed several Branch class action noncompliance grievances for management failing to abide by the agreed compensatory remedy in multiple cases. Some of the cases have not been paid at all while others were only partially paid and a few had been completely paid but were done so untimely. We will continue to track and monitor all Branch class action resolutions to ensure the compensatory remedies are correctly distributed.

I would like to make a challenge to the membership. Get involved and support your union. We have many events coming soon; Retiree's Picnic, OSA Convention, Golf Outing and Branch picnic These are all great events that the executive board and select members work hard to hold

for the membership to build comradery among the ranks.

The NBA Region 11 office will host a Stewards school at our hall June 7-9th. Stewards from around Ohio will be attending this training. This includes 10 new stewards from Branch 78 who will be attending this training.

As I went around the stations for food drive talks, I started noticing some smiles among the members. Most of this renewed spirit among the membership comes from a somewhat normal return to a work/life balance. One of the biggest complaints from the members is the big push by management to issue discipline. Management is now making a major push to issue discipline for attendance. The union is required by law and will defend all its members and non-members when it comes to discipline and contract grievances. However, membership needs to realize this is not a green light to be absent from work whenever they feel the need. Habitual attendance offenders are playing with fire when it comes to attendance. Management only has to get it right four times to remove a carrier from the Post Office. If your sick, please stay home. Protect yourself by making proper call in, providing any requested documentation or complete FLMA paperwork to avoid discipline. The membership knows the difference and a limited few is bringing attention to everyone on this subject matter. Most of the discipline being issued for unsatisfactory attendance is just outrageous and is unwarranted. No matter what

your circumstances are, if you are issued discipline it is a very serious matter. The first copy you are issued is your copy to keep. Do not give it back, it is your copy for your records. What you choose to do with that discipline is up to you, however you have rights under Article 15 of the National Agreement to grieve the matter if you feel it is unfair, unwarranted or have mitigating circumstances. If you choose to grieve the discipline, you should immediately (i.e. the day you receive the discipline) consult a steward. You have a right to grieve the matter if you don't it will stay in your file for two years. A combination of a letter of warning, 7-day suspension, 14-day suspension and removal in a two-year period and a person will find themselves terminated from employment. I would say 80 - 90% of the discipline I review is either unwarranted, has mitigating circumstances, was unintentional or management has committed procedural errors that warrant mitigation or dismissal.

MILLER'S MUSINGS

Yana Miller-Farney CCA has to be a factor. I would like to welcome our new members to come to the Branch Meetings the second Wednesday of the month. It will help to learn who your officers are and get information firsthand about what is going on outside your station. If you prefer the ZOOM option try to participate. It is an opportunity to ask questions. There are a number of events coming this summer and we want you to participate as much as possible. Your union is nothing without you!

Next, to the retirees and there have been a lot of you in the last

five years. This is a personal invite to you to grab another retiree and come to the Hall the first Tuesday of every month, lower level is the Meeting Hall, there is a ramp to get you in easier. Pay attention because we have some meetings at other locations, Cracker Barrel in Grove City in June and Carrie's Cafe at LA Catering, 670 Harmon Ave, 43223 in August. Director of Retirees Valeria Davis, has gone above and beyond to provide an entertaining and informative hour each month, for you. She has said if you take time to come you should do something other than chat and drink coffee. We can stay home for that. She has done a fabulous job!

Everyone needs to see the improvements to our building and property. A huge effort has been made to upgrade our corner inside and out. We have made consider-

able investments and have more plans for future projects.

Most of all we need members to participate. Volunteers are needed for the first Columbus hosted OSA Convention since 1991. We need stations to help with raffle baskets, hole sponsors, booklet ads and some of your time. There are Golf Outings and picnics on the calendar, we need you! ***Our members are what make this a successful organization. Be active!***

Sincerely,
Yana Miller-Farney

Congratulations

Rebecca Burchett from West Jefferson converted to PTF.

HOSPITAL PLUS

The Mutual Benefits Association (MBA) Hospital Plus coverage provides you cash when you are confined to a hospital. Hospital Plus will provide you with up to \$100 per day in daily cash benefits with begin the first day you are in the hospital stay and last up to 365 days. Hospital Plus is not a health insurance but a hospital-confinement policy. The benefit of this plan is to minimize the effects of non-medical expenses on a family's budget.

With Hospital Plus you choose the amount of coverage needed based on your financial situation: either \$100, \$75, \$50 or \$30 per day. The policy allows you to add a spouse for full coverage and chil-

dren at 60% of the coverage. The policy premium is based on the NALC covered member's age when the policy is purchased. All the member's children are covered by the same premium, regardless of the size of the family. The children must be under the age of 19 and living with the insured or between 19 and 23 years of age and a full-time student.

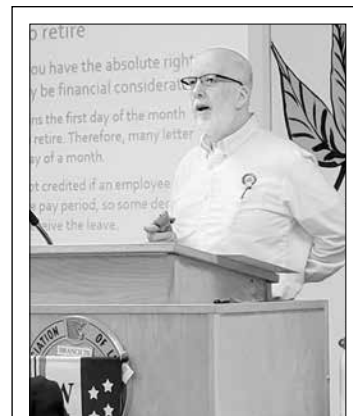

Once enrolled in the policy to receive the benefits all you must do is sign a one-page claim form, attach a copy of the hospital's itemized bill and mail them to the MBA. Benefits will be paid based on a 24-hour hospital stay. The policy doesn't cover a preexisting condition until the cov-

ered person has gone without further medical advice or treatment for 12 consecutive months.

For more information about Hospital Plus or any of the MBA products, call the MBA toll-free at 800-424-5184, Tuesdays and Thursdays from 8 a.m. to 3:30 p.m.; or call 202-638-4318 Monday through Friday, 8 a.m. to 3:30 p.m., Eastern Standard Time. Also, you can call me at the Union Hall 614-279-2778.

RETIREMENT SEMINAR

Why should I join NALC's PAC, the Letter Carrier Political Fund?

- The Letter Carrier Political Fund identifies and contributes to candidates who support issues important to letter carriers.
- Joining the LCPF provides letter carriers with the opportunity to build electoral and legislative power required to ensure decisions that impact their lives are made with their best interests in mind.
- Only NALC members can contribute to the LCPF.
- Union dues are not used, and cannot be used, for political contributions.
- LCPF contributions are voluntary and can stop at any time. There is no open season.
- We encourage LCPF members to make suggestions for political contributions and to attend local fundraisers.
- LCPF members are encouraged to attend local events for members locally who support letter carrier legislative priorities

FROM REGION 11 NBA MARK CAMILLI

Mark Camilli

At the time of this writing, the NALC and USPS agreed that the current 2019-2023 National Agreement will remain in full force until a new negotiated agreement, or an arbitrated agreement takes effect. Reports detail that talks between the parties have been productive and negotiators are hopeful that we can reach a negotiated settlement. If successful negotiations are not achieved the NALC is ready and able to go forward in interest arbitration. Stay tuned and please monitor nalc.org for further updates.

As we transition from Spring to fall, it has been busy for the officers and stewards across Region 11. Both States have recently attended very productive lobbying trips in Washington, DC and we had a successful round of training (including a mock arbitration hearing) at the Region 11 Rap Session held in Syracuse, NY. I want to thank Branch 134 President Tom Dlugolenski along with the Branch 134 officers, stewards, retirees, and members who helped make our meeting very successful! Congratulations to this year's recipients of the Region 11 Lifetime Achievement award – Br. 134 Jim Lostumbo and Recipients of the Region 11, Robert J. Massaroni Leadership Awards – Br. 210 Norm LeFrois and Br. 134 Ron Adams. Congratulations to all! In the next month or two, I look forward to productive and successful Ohio and New York State Conventions. Region

11 will also continue training with our "Shop Steward School", Retirement Seminars and Branch OWCP Representatives throughout the year.

As many of us are focused on contract negotiations, we can't let our guard down on the legislative front! For our members in the Civil Service Retirement System (CSRS), H.R. 82 is a House of Representatives bill that would repeal the Government Pension Offset (GPO) and the Windfall Elimination Provision (WEP). The GPO and WEP are parts of Social Security law that unfairly reduce or sometimes eliminate Social Security benefits of federal annuitants of CSRS. On March 1, 2023, Ohio Senator Sherrod Brown along with Maine Senator, Susan Collins introduced an identical Senate version of the bill. The Senate version is S.597. Another piece of legislation that I believe is not getting enough attention but would help many Letter Carriers is H.R.618 and S.131 (again, thank you Ohio Senator Sherrod Brown for co-sponsoring this!) Many injured Letter Carriers are finding it difficult to get treatment as many Dr.'s shied away treating OWCP related inju-

ries due to onerous billing issues. These pieces of legislation would expand care options by amending the Federal Employees' Compensation Act (FECA) to allow federal workers injured on the job to receive treatment from physician associates/physician assistants (PAs) and nurse practitioners (NPs). Current law prohibits PAs and NPs from treating federal workers in worker compensation cases. This bill would increase the number of eligible providers, making it easier for injured federal workers to access the care they need. Please encourage your representatives to support these important pieces of legislation. If you are currently not participating in giving contributions to our PAC – the Letter Carrier Political Fund, please consider doing so. Contact your Branch President for more information on how you can help support our PAC.

Summer is quickly approaching. As always, please take care of yourselves in extreme heat conditions. Rest, water, shade. Have a fun and safe summer season!

NEW BUSINESS

President Brian Renfroe has taken an immediate personal Leave of Absence. Paul Barner, Executive V.P. will be acting President during this time. Paul Barner sent out a letter 5/8/23 regarding continued attacks on Letter Carrier on their routes. Stiffer penalties on attackers were one suggestion, this is a nation wide problem. There was an excellent turnout at the RAP Session. RAA Mike Brim spoke a bit. State Board met 4/14/23 at the new Columbus Hilton, very nice venue, walkover bridge between there and the older tower. Delegates may be staying in both locations. Paul Barner briefed OSA Legislative Representatives on contract negotiations, there were over 200 proposals, last contract there were 75, this one expires 5/29/23; pay, benefits, and safety priorities. HR 82 has 246 cosponsors covers WEP and GPO. Federal Employee Fairness bill should be introduced soon, to have option to buy back time worked as a non career employee as Veterans buy back Military time towards retirement. We met with Troy Balderson, Mike Carey and an Aide from Joyce Beatty's office.

We had eight at our table for the George Meany Dinner at Villa Milano.

Region 11 RAA David Kennedy, presented the Retirement Seminar here 4/30/23, very informative, about thirty members and a few spouses in attendance.

Mark and Todd sent out cards and bags 5/4/23 to the stations Remember Saturday is the Food Drive, remind carriers to pickup any food.
